Over 30 stalls and activities

Come along and join the fun

only 4 Days to Go
Unlimited rides band – pre-purchase and save over $5

Cost of the pre purchased band is $27.50 each inc gst, which entitles the wearer to have unlimited rides on the 5 rides below.

Cost of purchasing an unlimited rides band on the day will be $33.00.

See Mrs Doyle and Mrs Gillies to collect your red ride band on Fete day.

- Cup n Saucer
- Four way Bungee Trampoline
- Cliff hanger Slide
- Chair-o-plane
- Jumping Castle

Single ride payments cannot be made on the day for these 5 rides.

These bands do not cover entry to Laser Tag or other activities not listed above.

We need your cake

We need donations of homemade cakes, slices and pastries for our cake stall at the upcoming school fete. Contributions will be gratefully received on Friday 11th September at the school office or on the teaching of Saturday 12th September at the school.

All contributions, no matter how small or large, will be greatly appreciated.

**K/6L CLASS REPORT**

K/6L has been looking at what causes the weather and how to measure the weather. Here are some of the things the students learned:

- **Malakye**
  - The water cycle starts with the sun heating the water. Then it hits the cold in the sky then it rains.
- **John**
  - The sun heats up some places not others. The difference makes the air move which is wind.
- **Jeffery**
  - The sun makes all the weather. It makes some places hot, and others are cold. We measure the temperature using a thermometer. When it is sunny we should wear sunscreen and a hat.
- **Joshua**
  - We had fun recording our weather reports. We talked about maximum and minimum temperatures, and the weather. We predict tomorrow’s weather, and we looked on the phone for today’s.
- **Ryan**
  - I liked being the weatherman. The wind blows the windsock.
- **Christian**
  - I like K/6L weather channel. I can tell temperatures and sunny weather.
- **Jye**
  - I liked being the weatherman. The wind blows the windsock.

**FOOTY COLOURS DAY**

Come dressed in your favourite football club colours on Friday 18th September (the last day of Term 3).

Help us to support our Senior Boys Relay Team, by dressing up and giving a gold coin donation.

All money received will go towards the purchasing of uniforms for the relay team when they attend the State Championships in October.
